

# SPRINGDALE SCHOOL RAMPUR

CBSE AFFILIATED

PROSPECTUS 2024

# INTRODUCTION

The growth and Expansion of Rampur Bushahr has been phenomenal particularly during last 11 years. It has been natural that the education facility in the town expands to cater the need of the growing population. (Realizing the need of the town Nav Chetna Education Society was being founded by our elite group of people. Nav Chetna Education society was est. in 2003. Springdale school based upon CBSE pattern tends to impart quality education to compete with best school in the country. SPRINGDALE SCHOOL is situated on the bank of river Satluj in Khareri ward no. 9 Rampur Bushahr District Shimla (H.P). It is 130 Kms away form Shimla. The school can be approached either by rail up to Shimla or by NH-05 by road. The nearest railway station is Shimla 130 Kms. The campus that covers an area of land is picturesque and away from din of metropolis. The serenity of the hill locks all around endows the campus with an ideal environment for education and research.

In order to impart quality education of world class standard, reflecting the latest advances in the field of education and research school has state of art academic and administrative infrastructure. The institute has well stocked and furnished library, well equipped laboratory, a host of indoor and outdoor games and sports, majestic hostels, separate for boys and girls, well furnished rooms for faculty, wide open spaces in the surroundings.

SPRINGDALE SCHOOL Rampur Bushahr Distt Shimla (H.P) offers world class infrastructure highly qualified and dedicated faculties and excellent environment for academic and intellectual growth.

The institute focuses on comprehensive growth of the students, working on their hearts and minds by addressing to their academic, cultural, physical and social needs in the environment of continuous interaction and growth, conducive for enrichment of mind and body. The faculty is fully committed to impart quality education by investing all its skills and knowledge. The school endeavors not only to produce excellent academic result but also to produce excellent and successful professional.

Here the special emphasis is laid on talent identification, talent support, skill development and all round development. A performance management system for students, teachers and support systems work very effectively on the whole system.

The uniqueness of our curriculum is that we have introduced Child Performance Management System & Smart class solution to promote a strong passion for learning and development in the students and teachers. The school aims to produce knowledgeable young citizen capable of generating employment opportunities rather seeking for job through intercultural understanding and respect.

**We can** is an acronym which forms an integral part of ours school, mission statement it stand for.

**W**- Well ordered and disciplined embers

**E**- Embrace

## **EXCURSIONS**

From time to time students are taken to visit all important public places and they are also taken to observe different flora and fauna as well as to learn the culture of far flung area inhabitant.

## **WHY US?**

Fostering the cognitive or mental growth is often mistakenly viewed as concentrating on the formal teaching of 3 R's arithmetic writing and reading. The Springdale will beat every afford to see that child learning is Joy in itself with the help of well prepared teachers, confident initiative and a sound common sense. The ultimate aim is that the education must take care of child as a whole, enhancing the child personality in all respect.

We provide innovative learning and teaching practices in compus among other academic activities like Sports, physical training, yoga, meditation, personality development, leadership, respect for the self and fellow beings and commitment towards community. The early childhood focuses on the "Joyful Learning" (Ananda), the primary/ middle school on striking inquisitiveness (Jigyasa) and high school facility Making career choice.

We believe in developing the whole child numeracy are literacy and Important but art, drama, music, and physical education contributed necessarily to the self worth of students. They can give them the reason for being at school.

## **WOMEN'S GRIEVANCES REDRESSAL CELL**

As per guidelines of the Supreme Court for the prevention prohibition and Redressal of Grievances of woman at working place a cell has been established with an internal complain committee. It deals with the complaints of sexual harassment of female students and teaching and non teaching female staff of the school.

## **RELIGIOUS AND MORAL EDUCATION IS MOTIVE OF OUR INSTITUTE.**

The Education of Indian Students is incomplete without feeding his spiritual needs. Moral education forms an essential part of the school program aiming at balanced and all-round development. Special efforts are made to inculcate the principle of sound ethics preached by our very own Vedas. Recitation of Mantaras, Bhajans and performing meditation to instill moral ethics & religious values in the students. They are motivated to participate in very healthy group discussion on every last Saturday of the month.

## **CO-CURRICULAR ACTIVITIES**

The school provides a wide range of activities to promote the creative faculties of students. All students are encouraged to participate in debates, declamation, recitation, dramatic, general knowledge and science quiz etc. Arrangements are made for pursuit of hobbies such as music, dance embroidery and tailoring bead, paper cutting, drawing & painting, flower making and gardening. Special celebrations are held in the school of the occasions of National and International Days (Gandhi Jayanti, Diwali Dussehara, Holi Chirstmas, Lohri Environment day, Swachh Bharat, Road Safety, World Environment Day and International Yoga Day).

## **STAFF**

The school staff consists of highly qualified, trained, experienced and dedicated teachers who are well versed with the latest techniques of modern teaching. The preparatory section of the school is looked after by special trained nursery teachers. The school ensures quality control of education at all levels of teaching. Regular class performance is given special weight age on the whole one terminal and four cycle test are conducted. Our mentor's go beyond usual chalk and walk method of teaching. They themselves learn for life forever growing. No efforts are spread on their part towards orientation and continues enhancement.

## **WHAT THE CHILD LEARN**

To enable the parents of students to access internet resource we have created class wise Whatsapp group with all concerned teacher belonging to particular.

## **STUDENTS APPOINTMENTS**
